Honorable Edmund F. Mansure  
General Services Administration  
Washington 25, D. C.

Dear Mr. Mansure:

I was very pleased to receive your letter of December 8 setting forth the fine results of this year's Community Chest campaign.

We are passing on this data to all of our personnel to whom I know it will be most satisfying to reflect on a job well done.

Please be assured that when the time arrives to initiate the 1955 campaign you can again count on the full cooperation of this Agency. We will hope to do even better next year.

Sincerely,

Allen W. Dulles  
Director
